

**Please note the following change specifically relates to receipts regarding Irish Life Investment Managers (ILIM) Investment Only Schemes.**

As you are aware Ulster Bank is ceasing operations in the Irish market in 2023. In preparation for this we have been working with AIB who are our new banking partners.

We are pleased to advise that we have agreed a changeover date with Ulster Bank and now have our AIB account fully operational. If you have not received confirmation of our new account details, please contact your portfolio manager who will be happy to help.
